

WE ARE PROTECTING YOU AND US

The current COVID-19 pandemic forces us to be extremely careful in our dealings with each other. This applies not only in our private life but also in our professional environment. Due to the nature of our work unfortunately we cannot avoid being in customers' homes and business premises. To minimise the risk of infection, we at BELFOR have once again tightened up our high safety standards. Everything to protect you and our employees.

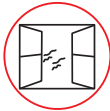

Our security measures at a glance

Employees exhibiting any symptoms are not permitted to work.
Full adherence to Government & NHS self-isolation guidelines

Adherence to Government & NHS guidelines relating to
physical distancing (2m)

Well ventilated indoor spaces
wherever possible

Regular hand washing with soap and water (20 seconds) or use of
alcohol hand sanitiser where this is not possible

All employee vehicles carry personal disinfectant for
cleaning their hands before and after each visit

Appropriate full
Personal Protective Equipment (PPE) worn whilst on site and working

Your cooperation also counts
We politely ask you to follow the same guidelines and protocol to ensure
maximum protection for all parties and minimise associated risks
